THOUGHT FOR THE WEEK:

The Eucharist is the best medicine for what ails us and the greatest strength we can receive.

Jesus was too familiar to the people in our Gospel today. They knew who he was, and that was all that he could be. They were not open to him being other than what they conceived him to be. At times, all of us "lock" people into a preconceived idea of who they are and/or what they can do. When we do this, though, we fail to recognize the presence of God in that individual. And when we fail to recognize the presence of God in one person, it limits our ability to see the presence of God and the grace of God at work all around us.

Have you ever let an early experience of someone blind you to better/deeper understanding of them now?

When have you failed to recognize the presence of God in someone?

Our Saint Vincent de Paul Society, here at Our Lady of Fatima is asking for non-perishable foods as well as toiletry items to be dropped off in our Red Container in the front entrance of the Church.

This past week we dropped off non-perishable food and toiletry items to the Sister Rose House in New Bedford and they were very grateful for the assistance. What Sister Rose House is unable to use in the kitchen is put on a table to help those in need to freely take.

THIS WEEKEND : Christian Catholic Families of Bethlehem will be selling Crucifixes, religious art work, and rosaries-all made of olive wood which is native to Israel and Bethlehem. Since tourism has greatly depleted, Christian families in the Holy Land, who depend on tourist, have been greatly affected. Sale of these goods will help them very much and also give you the opportunity to have something authentic from the Holy land. Please browse and buy some articles. It is for a good cause and also a help to your personal devotion.
