### THOUGHT FOR THE WEEK:

**Nothing can happen without God's permission and God will not allow a difficulty unless He has a divine purpose for it. If you will keep your peace, you'll pass the test and God will bring you out better than you were before.**

What would it be like to have an "immaculate heart"? Might it be to have a heart that loved unconditionally? When we are honest about it, much of what we call "love" is actually a sort of *quid pro quo*, this-for-that exchange of affection. We love those who love us in return, who treat us well, who respect us. There's nothing wrong with that, but can we open our hearts a bit more to embrace those who do not return our love in equal measure? Can we go so far as to love our enemies? A tall order but one worth striving for—an immaculate heart that loves unconditionally, as a mother loves her child, as Mary loved her son. Practice loving without conditions. When you pray today, ask for an immaculate heart.

**CATHOLIC CHARITIES:** To date we have \$28,970.00

We encourage you to mail in your pledge or place it in the collection basket at any Mass and to support the Appeal as generously as you can. If at all possible, we'd like you to consider pledging throughout the year. If you haven't received a contribution card in the mail, you can pick one up at the back of the Church. Programs supported by the Appeal help people in all phases of life – from children, to youth, to parents, to the elderly.
