THOUGHT FOR THE WEEK:

The more chaotic our life becomes, the more we need to balance it with silence.

To life!

The call to respect life confronts the multiple ways life is often devalued in our world—war, capital punishment, and abortion, among others. It is not only a call “out there in the world” but also a call within each of us. We can take this message to heart in every situation we encounter, and each day offers many opportunities—large and small—to respect life by the way we treat one another. What is one choice for life that you can make today?

2019 NEW MISSALETTES AS MEMORIALS

Our 2019 Missalettes are based on the liturgical year and Advent starts our new year. Once again, we are offering the possibility of memorializing these books for one year, as a way of assisting with the cost of the purchase of 125 books. We request an offering of \$60.00 for 10 books, \$150.00 for 25 books. Your label will bear the name of a deceased loved one or the honor of a saint. If you feel you can help us in this way, please speak with Fr. John or Lucy by October 31st or you can email us at olofnb@comcast.net. Thank You!
