Regarding Mass Intentions: Due to the lack of Mass, the intentions for Masses during those days were not satisfied. There are three options for those intentions requested: 1. Masses will be transferred to the existing Masses unless directed otherwise. 2. Have the stipend returned to you or donate it to the Church. 3. Msgr. Oliveira, director of the Missions in our Diocese, will see to it that the intention and stipend is sent to a missionary helping the church in the missions. If you have a question call the office.

FROM THE PASTORS' DESK

It has become apparent that the live streaming of Mass from St. Mary's is of considerable value. Even when the pandemic is over, to see Mass and to participate spiritually when one cannot be in church physically is of great value.

The decision has been made for St. Mary's parish to purchase a more permanent set of cameras to be able to live stream parish/Collaborative events into the future. This will enable those unable to attend Mass to spiritually join us for Mass. This will be available for Weddings, Funerals, even special events like First Communion and Confirmation.

We are grateful to Joanne Mercier who has assisted in researching the varying options and making suggestion based on her experience with varying possibilities.

The order has been placed and we will update our internet speed to optimize the viewing of varying ceremonies

As you can imagine this is not an inexpensive commitment. Should anyone be willing to assist in defraying the cost of this initiative, which will greatly benefit our Collaborative, please be in communication with the Collaborative office (508-995-3593).

One of the benefits of the current pandemic has been to teach us how to reach out to others through varying media platforms. Hopefully, this initiative will assist us in bringing the message of God's love to many.
